**ADDENDUM 2: RESPONSE TO ORDER DEFERRING RULING ON APPROVAL OF CHAPTER 7 TRUSTEE'S FINAL REPORT AND TRUSTEE'S APPLICATION FOR COMPENSATION AND GRANTING TRUSTEE'S REQUEST FOR REIMBURSEMENT OF EXPENSES AND APPLICATION FOR COMPENSATION OF PROFESSIONAL.**

---

CASSANDRA JOHNSON-LANDRY, Debtor, received the Order to respond within 14 days from May 4, 2021, as ordered by presiding judge. Debtor currently submits the following ADDENDUM. As ordered by Order dated May 4, 2021 the Debtor must submit claim objections based on the following:

1.

**FEDERAL BANKRUPTCY RULE**

**Rule 3007. Objections to Claims**

(a) Time and Manner of Service.

(1) *Time of Service.* An objection to the allowance of a claim and a notice of objection that substantially conforms to the appropriate Official Form shall be filed and served at least 30 days before any scheduled hearing on the objection or any deadline for the claimant to request a hearing.

(2) *Manner of Service.*

(A) The objection and notice shall be served on a claimant by first-class mail to the person most recently designated on the claimant's original or amended proof of claim as the person to receive notices, at the address so indicated; and

(i) if the objection is to a claim of the United States, or any of its officers or agencies, in the manner provided for service of a summons and complaint by Rule 7004(b)(4) or (5); or

(ii) if the objection is to a claim of an insured depository institution, in the manner provided by Rule 7004(h).

(B) Service of the objection and notice shall also be made by first-class mail or other permitted means on the debtor or debtor in possession, the trustee, and, if applicable, the entity filing the proof of claim under Rule 3005.

(b) Demand for Relief Requiring an Adversary Proceeding. A party in interest shall not include a demand for relief of a kind specified in Rule 7001 in an objection to the allowance of a claim, but may include the objection in an adversary proceeding.

(c) Limitation on Joinder of Claims Objections. Unless otherwise ordered by the court or permitted by subdivision (d), objections to more than one claim shall not be joined in a single objection.

(d) Omnibus Objection. Subject to subdivision (e), objections to more than one claim may be joined in an omnibus objection if all the claims were filed by the same entity, or the objections are based solely on the grounds that the claims should be disallowed, in whole or in part, because:

- (1) they duplicate other claims;
- (2) they have been filed in the wrong case;
- (3) they have been amended by subsequently filed proofs of claim;
- (4) they were not timely filed;
- (5) they have been satisfied or released during the case in accordance with the Code, applicable rules, or a court order;
- (6) they were presented in a form that does not comply with applicable rules, and the objection states that the objector is unable to determine the validity of the claim because of the noncompliance;
- (7) they are interests, rather than claims; or
- (8) they assert priority in an amount that exceeds the maximum amount under §507 of the Code.

(e) Requirements for Omnibus Objection. An omnibus objection shall:

- (1) state in a conspicuous place that claimants receiving the objection should locate their names and claims in the objection;
- (2) list claimants alphabetically, provide a cross-reference to claim numbers, and, if appropriate, list claimants by category of claims;
- (3) state the grounds of the objection to each claim and provide a cross-reference to the pages in the omnibus objection pertinent to the stated grounds;
- (4) state in the title the identity of the objector and the grounds for the objections;
- (5) be numbered consecutively with other omnibus objections filed by the same objector; and
- (6) contain objections to no more than 100 claims.

(f) Finality of Objection. The finality of any order regarding a claim objection included in an omnibus objection shall be determined as though the claim had been subject to an individual objection.

Rule 3007-1 CLAIMS – OBJECTIONS (a) Contents. Objections to claims shall state the legal and factual basis for the objection and the amount of the debt conceded, if any. (b) Service. Objections to claims shall be served on claimants by mail or via CM/ECF as set forth in Fed. R. Bankr. P. 3007(a). (c) Orders on Objections

to Claims. Proposed orders on objections to claims shall recite first, that the objection is either sustained or overruled, and second, that the claim is either allowed or disallowed.

2.

Given the continuous rescheduling of 341 Creditors Meetings and applicable hearing, both factors affect the filing of timely claims in addition to timely objections, therefore rules regarding timely filings should not apply. As stated previously Debtor notified the court of the need to reschedule meetings and or hearing with all required documentation. Debtor WILL NOT take responsibility for the rescheduling of Meetings and or Hearings completed by others or those in which Debtor was not notified of. It is very obvious the rescheduling facilitated by others was deliberate and served a purpose to confuse Debtor and others (EXHIBIT A)
